About Me

A BCA student with a focus on computer applications, programming, and IT. Seeking opportunities to apply academic knowledge in a professional environment, contributing to the success of a dynamic team.

Workshops

- Participated in an Application Development workshop at St. Joseph's College of Engineering and Technology, Pala , hosted by the Department of Computer Applications of SGC Aruvithura and SJ CET Pala
- Participated in a session on webpage design with HTML & CSS during the Entrepreneurship Development Center's SGC Aruvithura workshop.

Project

- NUTRISHAPE
Initiated NutriShape , an innovative website delivering customized diet and fitness plans. Implemented user-friendly features to enhance the user experience, contributing to effective health management.
